Head & Neck Cadaver Dissection Course

28 & 29 June 2019

Invited Guest:
Richard Lewis

Venue:

The University of Queensland
Gross Anatomy Facility
School of Biomedical Sciences
Faculty of Medicine
Otto Hirschfeld Building, St Lucia,
Brisbane, Qld 4072

PROGRAM

Faculty:

Ben Panizza	Chris Perry
Raefe Gundelach	Bernard Whitfield
Simon Nasser	Nicholas Potter
Matthew Cronin	Ryan Adams
Leon Kitipornchai	Sam Dowthwaite
Emily Perry	Theo Birch
Lewis Overton	Liam Masterson
Catherine Barnett	Cheryl Kelly
Gianna Gangemi	

Dear Colleague,

Head and Neck anatomy is for the surgical connoisseur. The Head and Neck course is a wonderful opportunity to learn and perfect surgical technique under expert supervision. Cadaver dissection allows the assimilation of knowledge with the certainty of a new skill learned or an old skill refined. This course covers a great variety of common head and neck operations under the experienced supervision of the faculty from the Head and Neck Unit, Department of Otolaryngology, Head and Neck Surgery, Princess Alexandra Hospital. We hope you find the experience worthwhile in your confirmed pursuit of excellence.

Department of Otolaryngology, Head and Neck Surgery
Princess Alexandra Hospital

CME Points

This educational activity has been approved in the RACS CPD Program. Fellows who participate can claim one point per hour (16) in Maintenance of Knowledge and Skills.

St Lucia, Brisbane, Qld 4072

COURSE OBJECTIVES

- To introduce surgical trainees to the complex anatomy and basic principles of Head & Neck surgery.
- To instruct and update Australian Otolaryngologists, Head and Neck Surgeons in essential aspects of Head & Neck surgery.
- To enable all course delegates to return to their parent hospitals and continue to re-arm their skills in Head & Neck surgery through continuing cadaver dissection.
- To feel comfortable in performing most frequently required Head & Neck surgery.
- To have a workable plan on access surgery to difficult areas.
- To understand the general principles and future direction of Head & Neck surgery.

A/Prof Ben Wallwork; Dr Raefe Gundelach;
Dr James Bowman; Dr Nicholas Potter

Friday 28 June

7.45 Registration - (Otto room #81-425) front entrance – Level 4

OPENING & LECTURES (Otto room #81-412)

8.00 Opening - *Ben Panizza*

8.10 Principles of Head & Neck Surgery - *Richard Lewis*

8.30 Submandibular Gland Excision - *Simon Nasser*

8.45 Parotidectomy for Benign & Malignant Disease - *Richard Lewis*

9.10 *MORNING TEA*

9.30 *SUPERVISED DISSECTIONS (GAF Level 2)*

- Submandibular Gland Excision

- Parotidectomy

12.45 *LUNCH*

LECTURES (Otto room #81-412)

1.30 Neck Dissections – *Matt Cronin*

2.10 Parapharyngeal Tumours - *Ben Panizza*

2.30 *DEMONSTRATION AND SUPERVISED DISSECTIONS*

- Modified Radical Neck Dissection

- Selective Neck Dissection

- Medialisation Laryngoplasty

- BAHA Demonstration

5.15 *FINISH*

7.30 **Course Dinner: Allium Restaurant & Bar, 148 Merthyr Road, New Farm**

Department of Otolaryngology, Head & Neck Surgery
Prof Ben Panizza; A/Prof Chris Perry; Dr Scott Coman;
A/Prof Ben Wallwork; Dr Raefe Gundelach;
Dr James Bowman; Dr Nicholas Potter

Saturday 29 June

LECTURES (Otto room #81-412)

- 8.30** Reconstruction of Head & Neck - *Theo Birch*
- 8.50** Total Laryngectomy / Pharyngolaryngectomy including voice prosthesis insertion - *Chris Perry*
- 9.10** TORS/Robotic - *Sam Dowthwaite*
- 9.40** Thyroidectomy / Central Neck Dissection - *Raefe Gundelach*

10.00 MORNING TEA

10.15 SUPERVISED DISSECTIONS (GAF Level 2)

- Reconstruction of Head & Neck - Pec Major Flap
- Total Laryngectomy / Pharyngolaryngectomy / voice prosthesis insertion
- Vertical Partial Laryngectomy
- Supracricoid Laryngectomy
- Thyroidectomy

1.15 LUNCH

LECTURES (Otto room #81-412)

- 1.45** Surgical Access to the Oral Cavity - *Nick Potter*
- 2.00** Maxillectomy - *Ben Panizza*
- 2.50** SUPERVISED DISSECTIONS (GAF Level 2)
 - Lingual Release / Jaw Split
 - Maxillectomy
 - BAHA

5.00 FINISH

Richard Lewis

Dr Lewis was trained in Otolaryngology, Head & Neck Surgery in Perth. Following this he completed a Fellowship in Head and Neck Oncology, Microsurgery and OSA surgery in the USA (Indianapolis), followed by a Skull Base Fellowship in London. He is currently a Consultant Surgeon at Royal Perth hospital as well as working in private practice in Perth. His practice is predominantly in OSA management and Head and Neck Oncology surgery. He has ongoing research studies in both OSA surgery as well as Head and Neck surgery.
