

Supporting Deaf individuals with complex needs in mental health

Level 3 online workshop

Clinicians have an opportunity to join a new and exciting interactive **online workshop**. The workshop aims to put skills and knowledge and cultural awareness into practice, when responding to the needs of deaf individuals presenting with mental health issues.

Prerequisite training includes:

Introduction to Deafness and Mental Health Level 1 and
Deafness and Mental Health Level 2 via <https://ilearn.health.qld.gov.au/d2l/login>

Wednesday 26th May 2021, 8:30 – 4:30pm

Wednesday 15th Sept 2021, 8:30 – 4:30pm

Reduced cost \$99

Book now at Eventbrite

Sessions are approximately 1.5 hours in duration with generous breaks allowing time for reflection, and end of day discussion and feedback

Working with Interpreters: An in-depth review including common mistakes, barriers and challenges.

Conducting assessments: The importance of Deaf history for MSE and other assessments. Models of care and outcomes.

Consumer perspectives: Perspectives on access to service. Opportunity for Q & A with members of the Deaf Community.

Case studies: appropriate diagnosis and treatment plans

All sessions are;

- Interactive online
- Based on adult learning principles
- Facilitated by skilled experienced trainers
- Grounded in the latest evidence and practice-based research

Attendees will receive a certificate of attendance upon completion.
